

#### Crawford Photo Information:

"Photo Courtesy of Mrs. Inelle Kelley, great granddaughter of Mr. and Mrs. Crawford Bass.

Photo says they had two children, Henry and daughter Essie (who married Lum Bass).

That text is a little confusing. Evelyn Inelle (Bronson) Kelley is in fact the great (step) granddaughter of William Crawford Harris Bass and great granddaughter of his wife Priscilla Ivey.

The mention of the children isn't quite accurate. Priscilla Ivey's first born son was Mann Mizel, who was adopted by Crawford Bass upon his marriage to Priscilla. Mann became Walter Mann Bass (1863-1908). Walter Mann Bass married Mary Nancy Yates. They had at least 8 kids. The first Henry (mentioned in the photo notes), second Columbus (Lum) also mentioned in the notes. Around 1906/1907 and shortly before Walter Mann Bass' death at 54, they had a daughter, Louisa Flora Belle Bass. Flora Belle Bass married to Irlo Overstreet Bronson then had a daughter Evelyn Inelle (Bronson) who later married to become a Kelley. This is the great granddaughter that provided the photo of Crawford and Priscilla.
